Getting Started On LSTCnet For Students

Using the Learning Management System (LMS)

Logging in and changing your password

1. Use your favorite web browser (such as Firefox, Safari, or Internet Explorer) and go to http://lstcnet.lstc.edu/ics
2. Use your ID number for both your login and your password.
3. Change your password by clicking on **Personal Info** at the top of the screen. (Find your name and the personal info option is right behind it.) Click on **Password** and follow the on-screen instructions.

Finding your courses

1. Click on the **Academics** tab at the top of the screen.
2. Then click on **All My Courses** on the sidebar.
3. If no courses appear, choose ***Future Courses*** from the dropdown option.

Viewing information that has been posted for courses

1. Click on the course you wish to view.
2. Use the links on the sidebar on the left side of the screen to access information.

Viewing other courses

1. After you click on the **Academics** tab, click on **Course Search**.
2. Enter the name of the faculty member and choose the semester from the dropdown menu.
3. In the drop-down menu next to **Term** select the term that corresponds to the time and course level of your program (for example, select "Fall Semester 2010 (GRAD)" for MDiv, MA, and MATS courses).

Note: The back button doesn't work well for many features on LSTCnet. Instead, use the menu options on the sidebar and at the top of the screen to take you back to previous options.
